THE WILLIAMSPORT, PENNSYLVANIA, MUNICIPAL AIRPORT

Located four miles from the city this modern airport is served by three major airline networks TWA, Capitol, and All American. There are complete servicing facilities and a flight school. The field also has two approved repair stations.

Covering 227 acres this airport has an elevation of 529 feet above sea level. There are two lighted, concrete runways 4320 and 4060 feet in length with two additional black-top runways of 3520 and 2130 feet. The field is lighted.

The new Administration Building has 15000 feet of floor space and houses airline passenger, airmail, freight and express facilities, and a complete restaurant. The Interstate Airway Communications (call letters IPT) and the United States Weather Bureau also maintain stations in this building.

Mr. Bazley, pictured above at the new Williamsport Administration Building, has been an Esso user for nearly 20 years. In addition to having his plane serviced with Esso Aviation Products, Mr. Bazley, as one of the country's largest anthracite stripping and highway contractors, uses Esso Products exclusively for his trucks and other machinery. In the skyway or on the highway, Mr. Bazley knows he can depend on the products that carry the Esso trade-mark.
